REELECTED AND NEWLY ELECTED OFFICERS OF FOUNDATION PROMISE TO PROMOTE EXCELLENCE

The Fort Worth Police Officers' Award Foundation looks to a promising year with the election of a new executive committee at the Foundation's Annual Meeting. Foundation veteran John Joyce was reelected chair of the Foundation. "I look forward to another year of serving the fine women and men of the Fort Worth Police Department. Nothing is more rewarding than supporting those who serve us," says Joyce. In addition, the Board of Trustees elected Glen Hahn to serve as Vice Chair, Robert Glaser, Jr., to serve as Secretary/Treasurer, and Mac McLain to serve as Director of Investment Strategies.

"The Foundation is truly excited about the upcoming year as we continue to develop ways to support and recognize Fort Worth Police Officers. The new executive committee will provide the leadership and creativity necessary to grow the Foundation and accomplish our goals," says Joyce.
